5 Reasons to visit ThinkPlants at CAST...

1

Coreopsis
SOLANNA™ SUNSET
BRIGHT

Another trusted series addition from Danziger. Bold semi-double yellow blooms with a nice red eye, very quick to bulk and come into bloom.

[LEARN MORE](#)

2

Agastache
'Pink Pearl'

New from TERRANOVA Nurseries! Mid-sized, full, and compact mound of large flower spikes, different from other Agastache with large, dense blooms that cover the entire plant.

[LEARN MORE](#)

3

Erysimum
Erysisible™ Bronze Rose

First Zone 5 hardy Erysimum available in novelty colors from Syngenta Flowers. Medium-vigor controlled habits work well across all key container sizes.

[LEARN MORE](#)

4

Salvia
PINK NEBULA™

New from Danziger! Bright color contrast for Salvia Dark Matter with pollinator-friendly, floriferous blooms on strong branches.

[LEARN MORE](#)

5

Echinacea
Prairie Blaze™ Vintage
Lime

The first OP Echinacea seed series available in novelty colors with uniform habits from Syngenta Flowers.

THINKPLANTS®

ThinkPlants participants represent a dedicated team, including plant breeders and other horticulture experts, seamlessly connected to a supply chain. This gives ThinkPlants an innovative plant offering for consumers and the North American Nursery Industry. ThinkPlants offers growers an unrivaled commitment to breeding a diverse mix of improved plant genetics, with a healthy supply chain of top quality URC, bareroot and liners, along with a true sense of transparency between grower and supplier.
