THINKPLANTS™

ThinkPlants™ Participants represent a dedicated team, including plant breeders and other horticulture experts, seamlessly connected to a supply chain. This gives ThinkPlants™ an innovative plant offering for consumers and the North American Nursery industry. ThinkPlants™ offers growers an unrivaled commitment to breeding a diverse mix of improved plant genetics, with a healthy supply chain of top quality URC, bareroot and liners, along with a true sense of transparency between grower and supplier.

Some of the varieties may be protected under one or more of the following: Plant Variety Protection, United States Plant Patents and/or Utility Patents and may not be propagated or reproduced without authorization. All trademarks displayed or otherwise used herein are the property of their respective owners.
