## Agastache 'Pink Pearl'

**Mid-sized, full, and compact mound of large flower spikes.**

Incredibly unique, glowing **light pink color** brightens any garden.

Different from other Agastache with large, dense blooms that cover the entire plant and appear a dynamic two toned with deeper colored flower buds contrasting nicely. Eye-catching in the mid to front garden border, also looks stunning in the container at home or at retail. Long blooming, spring through frost. TERRA NOVA® staff and visitor FAVORITE!

## Unrooted Cutting Program

### PENSTEMON DAKOTA™ 'BURGUNDY'

**Glossy, purple black leaves** on a very hardy perennial. Lovely **lavender to violet flowers** in June, which are loved by hummingbirds. Shorter and more compact than... [\[MORE\]](#)
